# Customized Conveyors

## Dairy Conveyor Systems

With over 40 years of experience, Thiele Technologies has a conveyor layout to meet your needs. From filling room to cooler, we focus on your entire operation when recommending equipment and conveyor for your plant. We believe in finding specific solutions to meet individual plant needs. Our engineers recommend layouts that are efficient, provide for future growth and are cost effective, including:

- Complete layout
- Installation drawings
- Turn-key installations
- Start-up support
